About our work in: *China*

The Orphanage in Hou Ma, Shanxi Province, P.R.C.

The Hou Ma facility is a privately operated orphanage. COMMIT Ministries has been an active supporting partner for this project since 1998. The children that live in this orphanage range from only a few days old to 10 years. All have been abandoned because of physical deformity or mental retardation. Foreign adoptions from the Hou Ma Orphanage are not yet allowed by the government of China. Our work here has been to help fund medical procedures to correct physical deformities or health problems and also to assist with the "construction" of a clean, new building with heat for the children.

You can help with the work being done here in Hou Ma!

- Funds are still needed to pay off the loan on the building
- Monthly support for a child in Hou Ma is \$30 per month
- Monthly support for an Assistant Director is \$75 per month

The International Children's Village, Baojing, Hunan Province, P.R.C.

In November 2002, COMMIT Ministries was given an opportunity by the People's Government of Baojing County to develop 375 acres of property into an International Children's Village. The major city of Baojing has a population of over 300,000. The project is currently in the planning and design phase. Funding avenues are being sought and short term teams are being recruited to assist with the construction during the initial phases of construction. Once completed, this 5 year project will include:

- An orphanage that will care for 375 children
- A Medical Care facility including a hospital and training facility
- An educational grade school and, possibly a University and technical school
- A Christian Church

Once negotiations for development of the property are completed (Spring 2004), we'll need your help to fund and serve on work teams to travel to this remote area. Let us know if you're interested, and we'll keep you posted on all the news on this incredible opportunity! Or check our website at <http://www.commitministries.org/baojing.htm>.

Church Pastors and Evangelists

Through the collective efforts of key COMMIT personnel and solid working ministry partnerships, hundreds of pastoral leaders have been called to the ministry of Christ through the Holy Spirit. These folks often find it to be a major struggle to travel to remote villages to teach, preach, provide for their families. In addition, these wonderful people need additional funding to reproduce effective resources that will continue to take the gospel of the Kingdom of God to hundreds of millions of those who desperately need to know that Jesus loves them! You can help support these willing hearts that have said, "Send me!" by providing:

- Bicycles \$35 each
- Monthly support \$250 per month
- Motorcycles \$650 each
