

AIRCRAFT AVAILABILITY LIST GREAT HAWAIIAN AIR RACE (Revised April 20, 1999)

Please Note: Airplanes listed herein are available on a "first come, first served" basis. This information is supplied by the Great Hawaiian Air Race only as a convenience to racers. No representation is made by race officials regarding price, condition or airworthiness of any aircraft, accuracy of information, or the reliability of persons or companies offering the aircraft. It is the responsibility of each person interested in renting a particular airplane to make arrangements directly with the businesses or individuals offering the airplane. It is suggested you reserve your airplane well in advance of the race and bind your reservation in writing. You should also allow sufficient time to inspect the airplane to your satisfaction in advance of the race. At a minimum, you will need the airplane from 2:00 PM Thursday (for impound), February 17 until 1:00 PM Sunday, February 20, 2000 (or 1:00 PM Monday, Feb. 21, if you intend to fly the optional "Aloha 300 Mystery Race". Allow time before the impound for any required check-rides or if you plan to pre-fly all or part of the race route. If rafts and vests are not supplied, be sure to rent or purchase them elsewhere if you do not have your own.
